NATIONAL BUSINESS REPORT

Our genial Principal, Mr. Kingsley.

Emerging from the Press Office is our beloved principal, William Kingsley. He has been our chief magistrate, granter of petitions, and benevolent critic. Throughout the school year he has helped us innumerable times with our problems and disputes.

In the office Miss Kathryn Graves along with her able assistants, handled the many details smoothly and efficiently. Tardy pupils and students running in hopefully with excuses signed by their friends made everyday an interesting one.

Our thanks go to the personnel of the Press office along with our praise and admiration.

*"Congratulations you
are at last one of the
immortals - eh? see you
next year -
Kathryn*

Miss Graves looked through the files.

The School Board members for the year were Dr. McClure, Mr. G. H. Waddell, Mr. Burke Thompson, Mr. Jay Shropshire, and Mrs. Lorraine Paul.

WORLD REPORT

Illustrating the district is our superintendent, Clayton A. Castle. Besides assisting the grammar schools and junior high school, he managed to survive our barrage of questions and demands. His two aides-de-camp, Mrs. Elva Bequette and Mrs. Virginia Green, the district secretaries, were able to maintain their sanity despite all our help.

Also connected with the district office is the school nurse, who did most of the peering, poking, and patching during the year.

The five members of the school board spent many long hours planning our successful school year.

We wish to express our appreciation to all these people and thank each of them for their aid and assistance.

Our superintendent, Mr. Castle, looked for the answers to our many problems.

Our District Secretaries, Mrs. Green and Mrs. Bequette kept the school books straight.

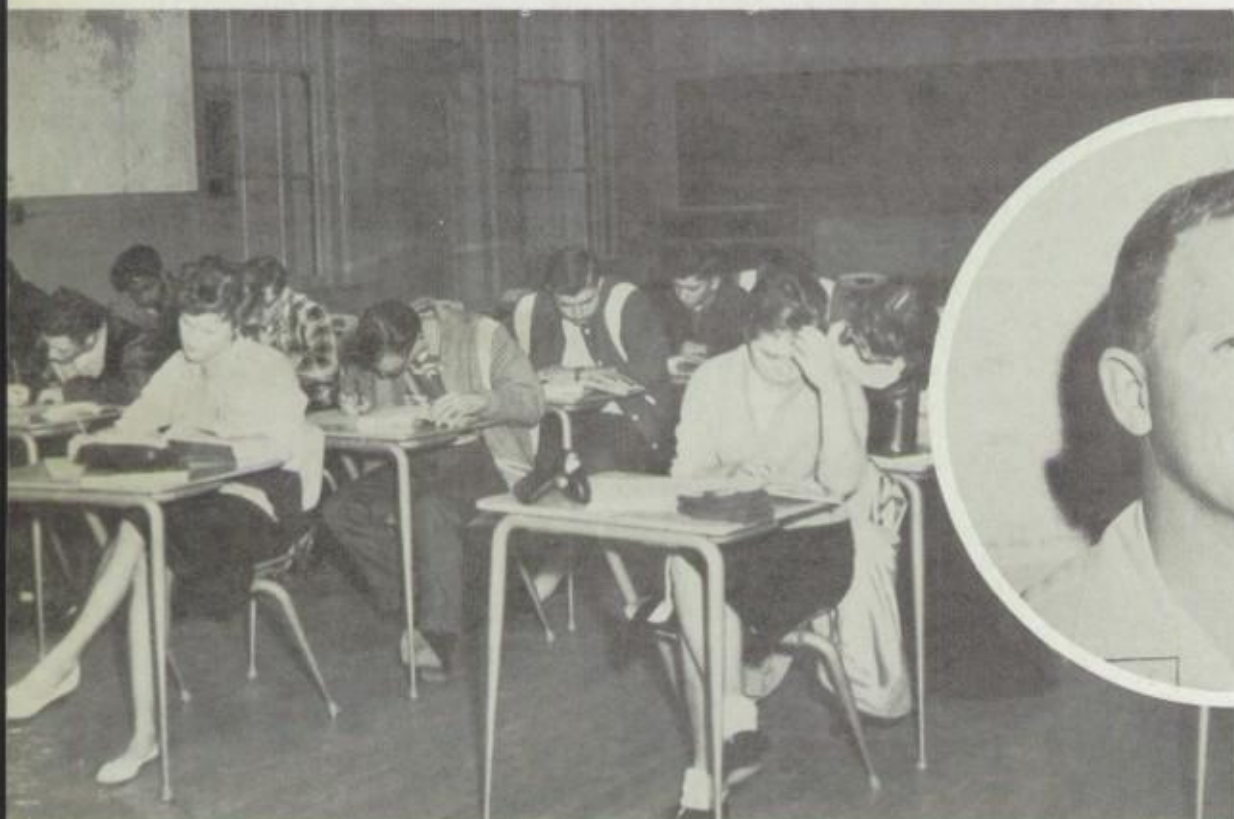

Never say die!
So glad to see the
dedication - very
deserving gal -

As we leaf through our Time magazine, we come across an interesting item; it is about the Junior Class. Let us read further.

The Junior Class of 1957-58 had a year filled with success. From the first dance, to the Junior Play, to the Junior-Senior Prom, and all the lesser activities in between it enthusiastically supported all of them. As was with other Junior Classes, money was one of their biggest and most trying problems, but this problem was slowly dissolved by the preceding events and the ingenuity of the Junior Class.

The money-making ventures were discussed, directed, and ratified by the members of the Class Council. The components of this council were President Larry Pickering, Vice President Tom Taylor, Secretary Carol Ann Lander, Treasurer Sonny Flores, and various representatives.

When one writes of the Class of '59, one cannot help but say something of its academic achievements. At every meeting of CSF a generous helping of "59'ers" was found seated throughout the room. In fact, 35 per cent of the CSF'ers were Juniors.

Although the fate of the Junior Class of 1957-58 cannot be determined, it is sure to be more of a success than it has ever been.

Studying their Algebra were B. Baird, B. Holmes, and J. Davis.

O. Cantrell, L. Cranston, and D. Boyd looked for references in the library.

What a hectic year! I don't know what I would have done without your help. Maybe next year I'll know a little more about what I'm **TIME** doing. (At least I'll know how to hula!) I wish you could go with me this summer but you'll hear all about it. Thanks again for everything. I'm sure going to miss all our Bull sessions. Have a good summer.

Love,
Carol

Since this year's theme is composed of titles of various magazines, a special section was naturally set aside for the Sophomore Class.

In the "Table of Contents" the list of the class officers was found. The President was Richard Cabello; Vice President, Joan Anderson; Secretary-Treasurer, Diane Holmes; and Social Chairman, Sue Hunter.

This Sophomore Class lived up to all the standards set by previous ones. They learned the laws of parliamentary procedure, obtained "pink slips," pestered their teachers, threw spit-wads, ditched, lost school books, and many other things just as the previous Sophomore Classes have done.

Although the Sophomore Class didn't contribute as many members to the Scholarship Society as the other classes did, they made up for this by presenting a superb Sophomore Amateur Hour, sponsoring a dance, and various other activities.

From whitewashing the "L" as Freshmen, they advanced to Sophomores, proving that they could meet the necessary requirements expected of them and keep up with the pace-setting upperclassmen.

Members of the Sophomore Amateur Hour Committee were H. Cairns, J. Anderson, S. Webb, B. Williams, M. Drnek, S. Jessup.

B. Shaw and T. Hargett painted a scene for one of the plays.

The Freshman Class of Lindsay High School, though the youngest in the whole school, did have the most members. They started off with a bang, leaving some memories that will not soon be forgotten. Helping them were their faithful advisors and their ambitious officers. Heading their advisors was Mrs. McCullough. Helping her were Mr. Boone, Mr. Durbin, Mr. Souter, and Miss Fahrendorf.

The council consisted of the President, Nick Castle, who led the class through the year, as well as representing them on the Student Council, Vice President, Earline Waldron, who took over when the president wasn't able to be there. The great treasury was cared for by Treasurer Bob Holmes. Karen Allen was the Secretary, and Carole Myers was their informant on the doings of the Red Cross. David Bannister, Boys' Federation Representative, Pat Jackson, Girls' League Representative, Susan Williams, Home Room Representative, and Tony Valenzuela, Spanish Club Representative, were all kept busy.

The main project of the year for them was the painting of the "L". Even though most of the whitewash landed on the painters, some had the good fortune of hitting the "L". They came home white but happy.

"GEORGE WASHINGTON SLEPT HERE"

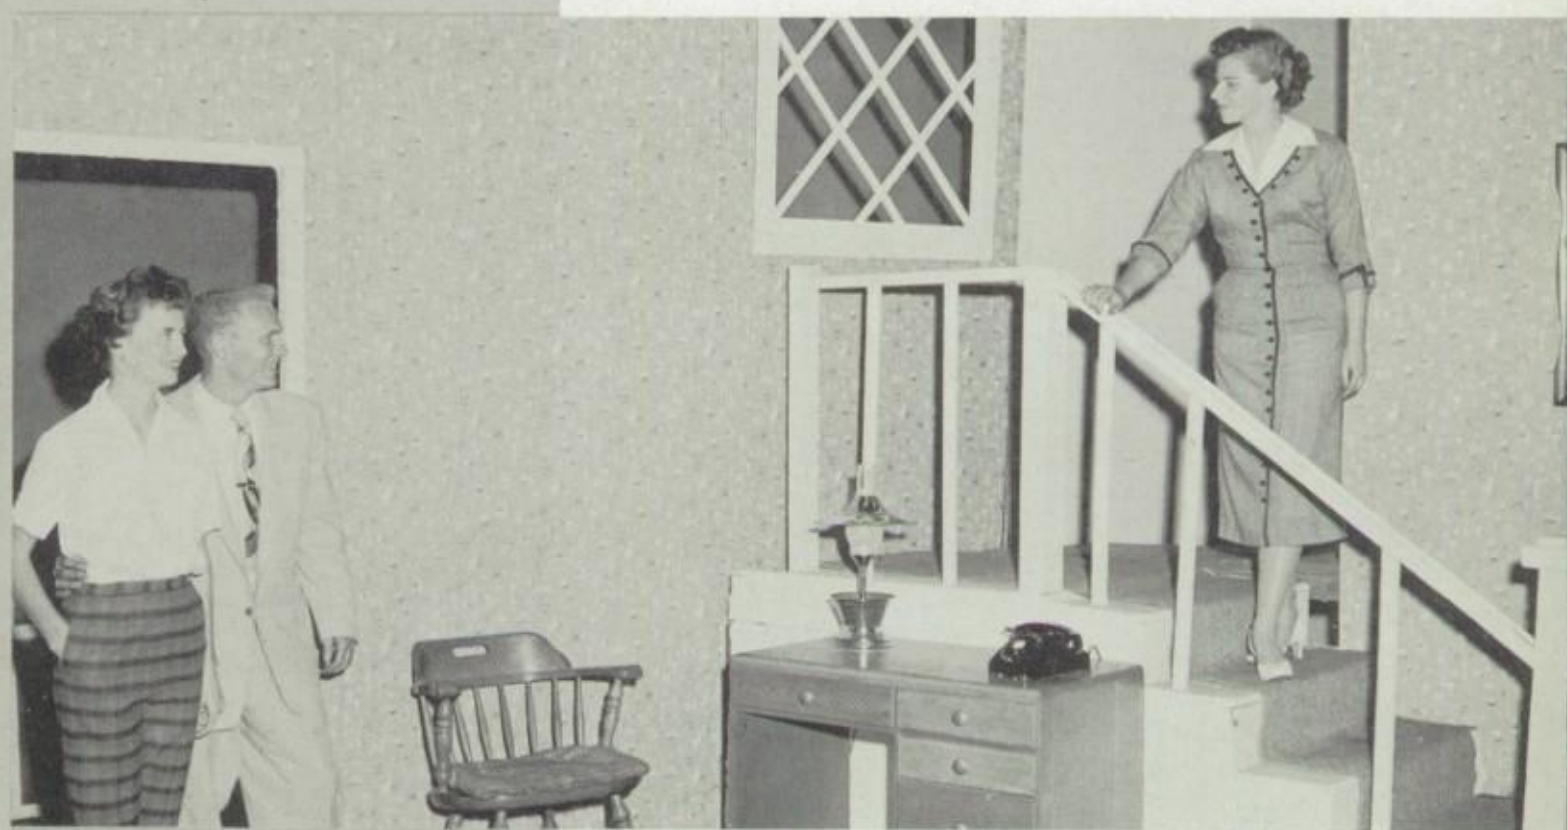

This general scene shows the elaborate set for the play.

Under the direction of Mrs. Nina McCullough, the Lindsay High School Dramatics Class produced "George Washington Slept Here," by Kaufman and Hart, for the Junior Play.

The cast frolicked through this delightful comedy in a two-night "run" with audiences enjoying themselves each performance.

Those who were included in the making of this play were: Newton, Earl Lively; Annebelle, Penny Boyes; Uncle Stanley, Donald Bradburn; Mr. Kimber, Bill Hostetter; Madge, Diane Boyd; Steve, Jerry McIntosh; Mrs. Douglas, Sandie Pieschke; Mr. Prescott, Bob Hefner; Rena Leslie, Sharon Butterbaugh; Clayton Evans, Franklin Callahan; Weekend Guests were: Donna Moore, Rosalie Hill, Larry Pickering, Larry Payne.

Penny received visitors, Sharon and Franklin, at her new home.

Bill, Bob, Terry and Mary expressed interest over Sandie's old map.

"SLEEPING BEAUTY OF LORELAND"

Sandie, the Wicked Fairy, put her imprecation on the new born child.

Carolyn Parrish, the Sunlight Fairy, changed the curse much to the delight of the other fairies.

Sharon rose to meet her Prince Charming, Don McDonald, while the rest of the court slept.

Midway through the year, the Dramatics Class produced a three-act play for the Lindsay grammar school children called "Sleeping Beauty of Loreland."

They introduced some ballet into the body of the play, the choreography being done by Don Bradburn.

On March 13th and 14th, the children from Washington, Jefferson and the Lindsay Junior High School watched enthralled as the following members of the Dramatics Class, under the direction of Mrs. Nina McCullough, unfolded the old fairy tale before them.

Beauty, Sharon Pitts; King, Earl Lively; Queen, Linda Bridges; Bumps, Don Bradburn; Tuffy, Larry Payne; Rupert, Leonard Borbon; Prince Charming, Don McDonald; Caretaker, Charles Montgomery; Wicked Fairy, Sandie Pieschke; Sunlight Fairy, Carolyn Parrish; Other Fairies; Donna Moore, Penny Boyes, Pat Brown, Joan James, Sharon Butterbaugh, Diane Boyd, Joanne Newman, Rosalie Hill, Barbara Armstrong.

"LO AND BEHOLD"

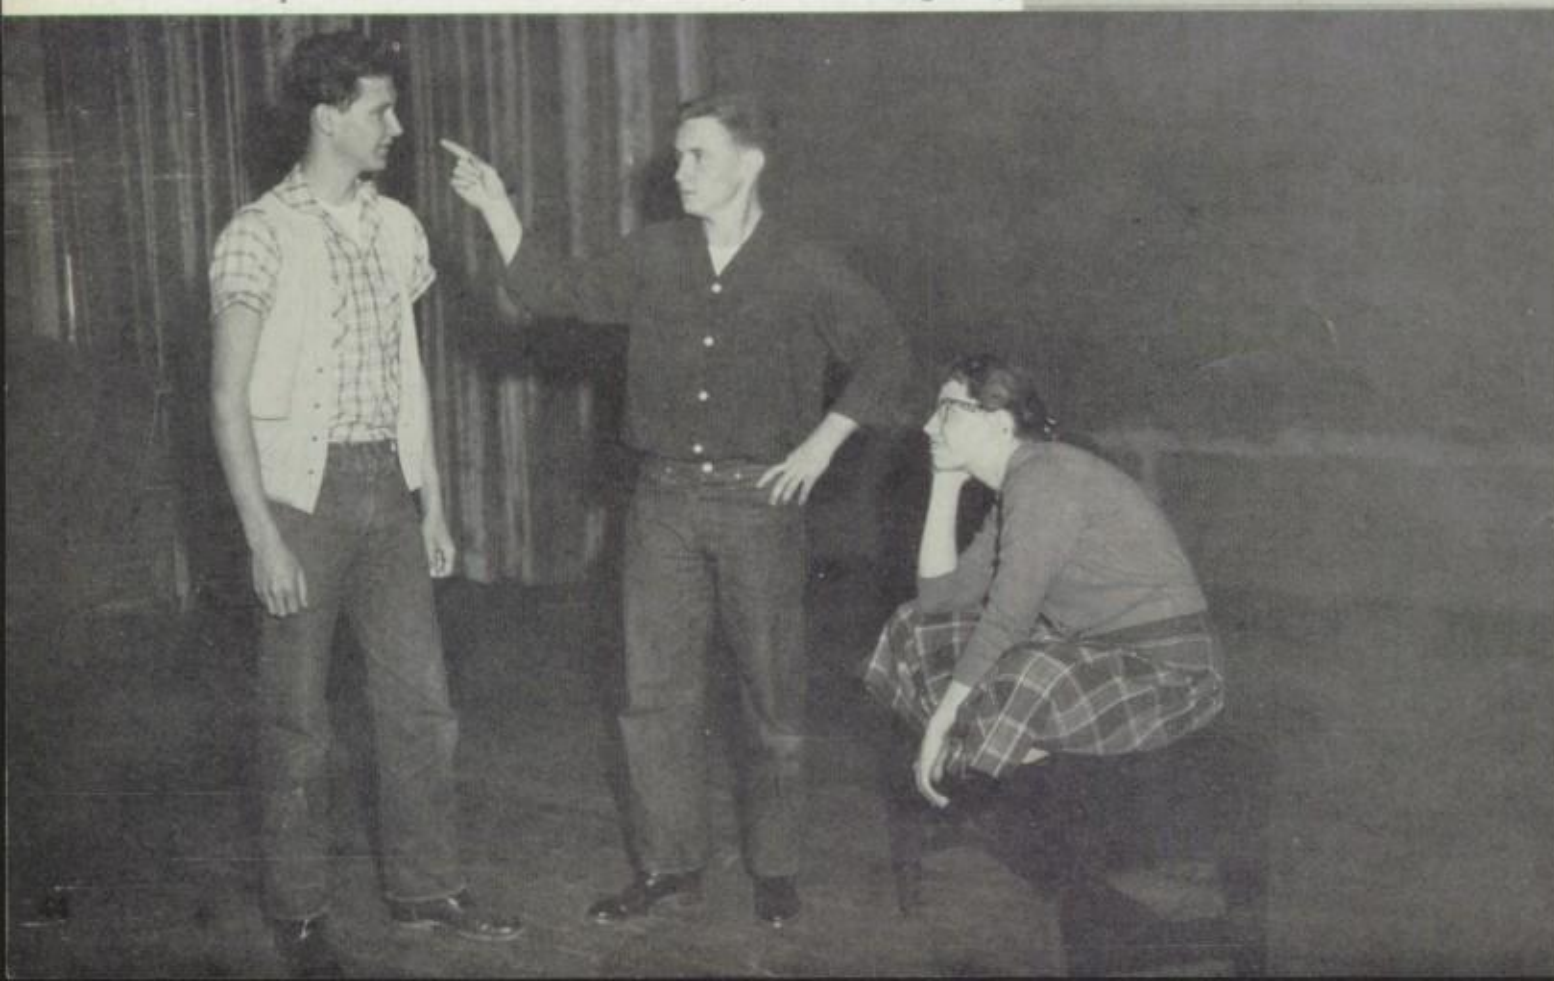

Penny was enthralled while Don experienced despair over Earl's piano playing.

Don McDonald read Don Bradburn's will while Diane, the housekeeper, looked on.

Larry threatened Bob while Sandie, an Indian ghost, watched with interest.

After a long wait, the 1958 Senior Play was chosen and the cast selected. Drama coach, Nina McCullough, led the eight cast members through the amusing comedy, "Lo and Behold," by John Patrick.

Produced on May 2nd, the cast was as follows: Milo Alcott, Don Bradburn; Mr. Wingate, Don McDonald; Daisy Durdle, Diane Boyd; Dr. Bob Dorsey, Bob Helner; Minnetonka Small Flower, Sandie Pieschke; Ken Moore, Earl Lively; Honey Wainwright, Penny Boyes; Jack McDougal, Larry Payne.

This play centered around an old man who finally died and returned to his home as a ghost, only to find it inhabited by a number of other ghosts.

To further the plot, the author introduced a pretty cook who caused the old man's death and then was mistaken for his daughter. Eventually, all was well as the young doctor friend of the old man and the girl-imposter fell in love.

Mrs. Luna,

Student Body President for 1957-58, Dwight Fitzgerald.

WHO'S WHO

The United States of America is run by a democratic government—of, by, and for the people, and we, the students of Lindsay High School, are grateful for our chance to carry on the work of the governing of our school in much the same way.

The student cabinet has worked hard to make this year one to remember. It sponsored the Christmas Formal, meditated on and passed all expenditures for the school year and coped with many other problems besides the day-to-day running of the school.

The school was efficiently represented at the C. A. S. C. meetings, the Governor's Traffic Safety Council, and the many other organizations which required our school's representation.

I would like to take this opportunity to extend special thanks, on behalf of the whole student cabinet to our advisor, Mr. Kingsley.

He was always at our meetings helping us to plan our rallies, assemblies, dances and the myriad of other things which made up our school life. He was always there to help us in our school problems, financial or otherwise, and he was always looking for the betterment of the school and school life in the interest of you students.

I am sure that all the members of the Student Cabinet will be better citizens for their training received this year.

A Letter from the EDITOR

The subject of the COMET'S 47th edition — the 1958 issue — is magazines. In this edition you will find interesting stories under the titles of LIFE, SEVENTEEN, ETUDE, and many others.

The fruitful efforts of the staff have brought realization to our goal of putting out a COMET that you will treasure for years to come. I wish to thank the staff for their job well done and to single out certain individuals for special praise.

Mr. Lusk, our photographer, helped us immensely and gave us many superb photographs for our edition. Mr. Kingsley and the teachers also gave us their support and co-operation. Mr. Durbin, our advisor, helped us immeasurably in getting the Comet out to you. So continue through this, the 1958 COMET, and I hope you enjoy looking at it as much as I have enjoyed working on it.

Our advisor was Mr. Durbin.

WRITER'S JOURNAL

By the appearance of this magazine you can tell that much hard work has been put into its making and publication. Not only in the long hours of work overtime but also in thought and care.

Reporters run madly here and there to interview a person for their important articles and staff members diligently type the mats or run the multi-graph in order to publish their issue on time without delay. And the students look forward to the weekly publication on Fridays.

From behind the cover, "Echoing L," comes the editor, Gary Bohnisch. It was through his effort, and the help of all his staff, the commercial department, and advisors, Mr. McFadzen and Miss Fahrendorf, that they have made a delightful change from the battered pages of years gone by.

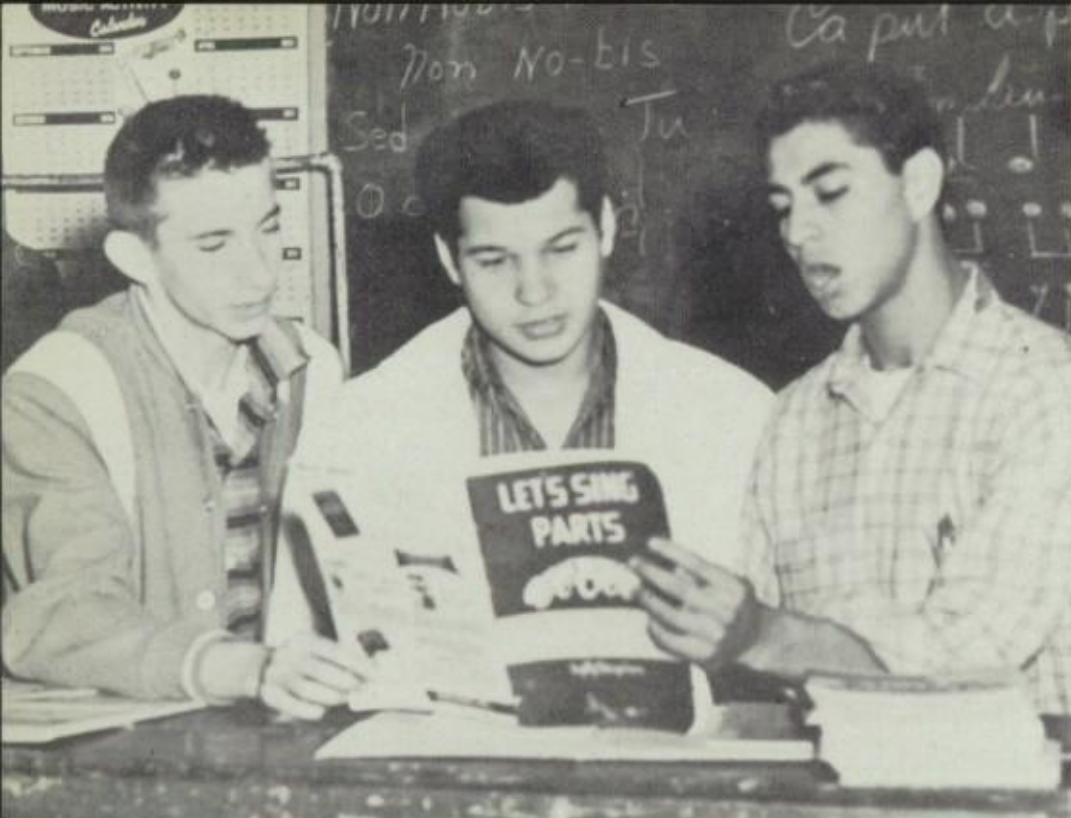

Every important happening throughout the year has been written in its stories and articles and the "Echoing L," bound by its hard work, shall forever echo loud and strong in the hearts of all at L.H.S.

ETUDE

This year's special feature in Etude was a dedication to the Lindsay High School Chorus entitled, "World of Music."

Aristotle once said, "Teaching music appreciation is much different from using music as a means of obtaining genuine pleasure. Real enjoyment of music comes from the ability to sense personality and mood."

Wayne Kemper has proven this beyond a doubt through his superb direction of the L.H.S. Chorus.

The Chorus students have a chance to show off their work before the public once a year when they combine forces with the L.H.S. Band to present the annual Band and Chorus Show in the spring. This was the all-important event of the year for the Chorus, and many months of hard work and careful preparation went into the final product.

COUNTRY GENTLEMAN

The F.F.A. boys worked hard in the fields.

In our area agriculture is the chief occupation of those who live here. Everything that is within our district cannot survive and prosper without agriculture. Therefore, a good agricultural course in our school becomes almost imperative. Lindsay High School has met this necessity with an excellent program.

This year the F.F.A., under the skilled guidance of Mr. Smith, was very successful. At the Tulare County Fair the members of the F.F.A. placed very high in the agriculture classification. In its other activities the Ag. boys also were very successful.

GOOD HOUSEKEEPING

There was much enthusiasm at the F.H.A. Slave Auction.

The Officers for the F.H.A. were: O. Cantrell, P. Ebel, H. Johnson, L. Foster, P. Staehly, M. Asencio, P. Berg, Mrs. Crooks, Advisor, D. Moore.

This year something new was added along the lines of clubwork at Lindsay High School. Under the supervision of Mrs. Beulah Crooks, home economics teacher, the girls in her classes formed the Future Homemakers of America, better known as F.H.A.

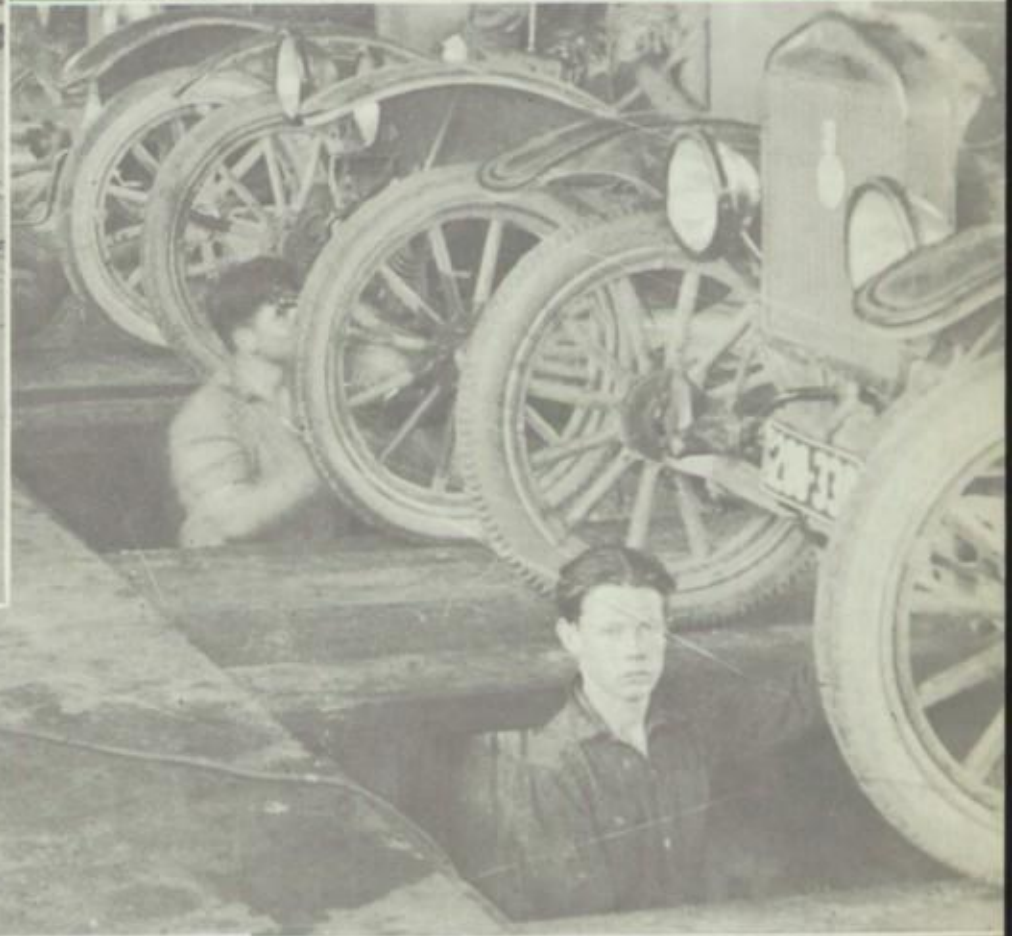

Elected to lead were President Peggy Berg; Vice President, Leota Foster; Secretary, Patty Ebel; and Sergeant at Arms, Mary Asencio.

Their purpose, as they meet monthly, was to become better acquainted with home life, its interests, and improvements.

VIM

The G.A.A. of Lindsay High School has had a very full year. Planning this year with the help of the advisor, Mrs. Luna, were the members of the cabinet led by President Joyce Snow, who did a very good job. Helping her in the office of Vice President was Mary Asencio. Secretary Roberta McPhetridge did a fine job of keeping up with these events. Joan Iriye brushed up on her addition while being Point Recorder. Keeper of the change was Leigh Howard. Representing the Freshman Class was Elaine Morris while Joy Natoli served as Sports Manager.

Earlier in the year some of the girls went to Fresno for a G.A.A. convention. They also had several playdays, one of which was in Visalia. On December 18 the girls had a gala Christmas Dinner.

All in all, the Lindsay Girls' Athletic Association had a successful year.

MEN IN ACTION

This year the Block L decided to sell derbies as their money-making project. The play of previous years, with its all male cast, was abandoned because of lack of time and performers.

The members were responsible for upholding sportsmanship at Lindsay High School.

Also they enforced the regulations involving the wearing of letters and honor sweaters.

Every year they present to one of their members the Jerry Avina Scholarship Award. This member must be one who is going to college to further his education in P.E.

These boys under the Coach, J. R. Boone, are a real tribute to our school.

This Federation has a membership which includes all male students enrolled in Lindsay High School. Each year the board of trustees allots a sum of money to this organization for the repair of damages which might befall the school. As the damage is usually small, the money that remains is spent on a project. The type of project this year had not been released at the time of this writing, but whatever it might be, it will benefit our school.

The cabinet which governs this body is headed by President Rick Ferrier and Advisor Mr. Hanigan. To assist them are Brad Holmes, Arthur Morillo, Gene House, Larry Kreisel, Don Erwin, Ron Oakley, and David Bannister.

The projects of this Federation are examples of what fine young men can do for the betterment of our school.

From the pages of this magazine come the society and fashions of our school. Most of the juicy gossip written within the bindings spreads like fire with excited whispers and giggles.

Its contents coming in all sizes, shapes, and forms include all of the girls of L.H.S. The title is the "Girls' League of Lindsay High."

The society advised by Allison Hostetter, is headed by President, Linda Bridges; Vice President, Carolyn Meling; Secretary, Karen Hamilton; and Treasurer, Oleta Cantrell.

There have been many successful issues this year, and marked on its pages are many highlights. Among them are serving as co-hostesses of the Girls' League Convention in Porterville; or just finding the girls selling programs at football games or collecting toys for their adopted brother, Rudy Parra, at the Springville Hospital.

The main feature of this magazine is a full report of a wonderful time had by all at the Christmas Formal.

MODERN TEEN

This year's publication, ably headed by the publisher, Mrs. Boone, and editor, Sharon Butterbaugh, combined entertainment and worthwhile projects into each bi-monthly publication.

The year started off successfully with the annual Backward Banquet honoring football players. The football queen and her attendants reigned over this event.

The traditional Y-Teen Carnival was also a major highlight.

Their major service project was the making of stuffed toys for the Porterville State Hospital. They also polished the trophies in the showcase and made tray favors serenaded the Lindsay Hospital.

All these projects plus the fun and entertainment which the Y-Teens provided, certainly made this year a year that all Y-Teens can be proud of.

FOREIGN INTRIGUE

Lending an international flavor to our group of magazines is the Spanish Club, under the supervision of Mrs. Ketelsen and ably assisted by Ben Montijo, president of the oldest members on the staff.

Johnny Shuken and Penny Boyes headed the next groups of diligent workers. These people studied hard so that next year they might be able to take over the responsibilities as the most linguistic persons on the staff.

The cub reporters for our 1957-58 publication were led by Terry Moore, the youngest assistant editor.

The last Friday in every month was reserved as a day of rest for our weary reporters, and on May 5 the whole staff gathered together at their annual celebration.

Mrs. Ketelsen and all her assistants deserve praise for a job well done.

sweet + nice. I was so
happy you got the Comet
dedicated to you, you being
the best P.E. teacher in the
world. Too bad I have a
tendency for tennis!

Susan Webb

Aunt Mary.

Well just 3 more years you will be rid of me.
Do you think you can stand 3 more years. I know that
I have said a lot of things that I don't mean and I am sorry
for it. I enjoyed being your P.E. asst this year even if I
did gripe about everything. I enjoyed the kids too. I enjoyed
being Freshman rep. for the G.A.A. I had a lot of fun.
I enjoyed being in your P.E. class even if you didn't
enjoy me. You know I love you even if I don't ask
like it some time. I am so happy that you got the
dedication I think you deserve it. I want to thank
you for putting up with me this year. I hope I
can have as much fun in your classes as I have this
year. I hope you have a good vacation this summer
and no headache. I hope we get together during this summer
but you might not want to see me for at least 2 months.
I hope you enjoy your new house. Keeping it clean.
Don't let the preacher mess drive you too crazy.
I wish you all the luck one person can get.
At least you won't have to see about once a week since
we move to Windsor.

A FOOTBALL

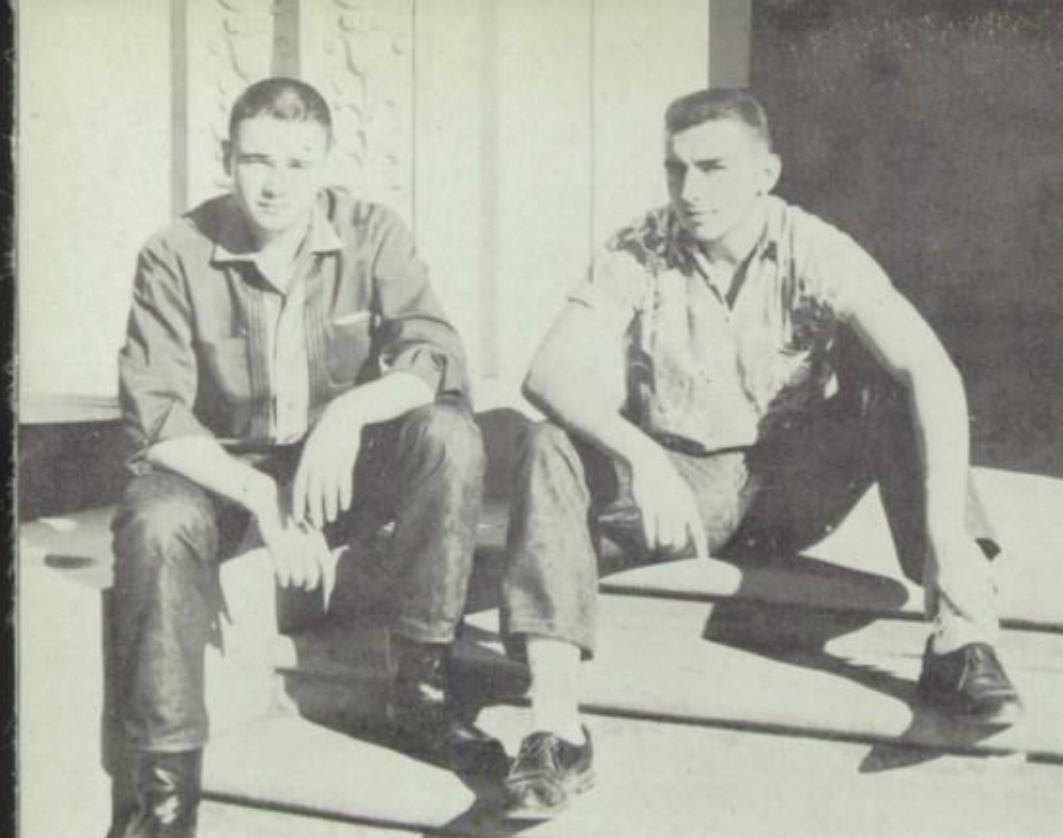

This year, Lindsay High had a great football team, and if it had not been for injuries, they might have had a better record. Although the league record was 3 wins, 1 loss, and 1 tie, the team took third place behind Orosi and Strathmore. They were able to tie Orosi, the championship team, 7 to 7. The only loss was to Strathmore, 33-6, and the best game was against McFarland when they ran up a score of 68-19, scoring 10 touchdowns and 8 extra points. The all-round record including practice games, was 6 wins, 1 loss, and 1 tie.

The injuries this season were numerous and costly. Dwight Fitzgerald, last year's all-league halfback, was injured in the second game, and was not able to play much this year. John Moore, Gary Bohnisch, Brad Holmes, Bob Baird, Carl Kaku, Tom Taylor, Ron Atteberry, and Jack Price all missed at least one game due to injuries. To top this off, one game with Dinuba had to be cancelled, and another postponed because of the flu. There were few members who didn't have the flu at one time or another.

On the all-league team, 5 members placed, 4 of them on offensive and 1 on defensive. On offensive, Rick Ferrier placed at fullback, Gary Hammons at center, Carl Kaku at guard, and Gene House at end. Larry Stachler, at linebacker, was the only defensive man to place.

Kneeling: T. Taylor, G. Lasseter, L. Watterson, B. Bream, B. Montijo, R. Carter, G. Steele. Standing: B. Totty, J. Berry, J. Robertson.

Co-Captains were: L. Stachler, R. Ferrier, also most valuable player, and D. Fitzgerald, not pictured.

N. Baker, and T. Valenzuela, managers, J. R. Boone and Victor Durbin, coaches.

B FOOTBALL

The Lindsay High School Cardettes finished the 1957 season in fine style. At the beginning of the season a series of ties brought wonderment to the minds of most of us as to the capability of the Cardettes to win or even lose. But the Cardettes emerged from this entanglement and came out with a successful season of 3 wins, 2 losses, and 3 ties.

The Cardettes were finely coached by Mr. "Mike" Maichrowicz and Mr. Vernon Bridges. Although the team was fairly green, the two coaches molded the Cardettes into a fine ball club.

The defense of the Cardettes was an obvious strong point allowing only 6 points a game per opponent. The offense didn't get started until November 8, 1957 when the Cardettes obliterated the Avenal Buccaneers, 46-0.

The Cardettes gradually improved throughout the season and achieved a lot. Although their accomplishments weren't earthshaking, we at Lindsay High School are proud that this team was from L.H.S.
